Weekly Newsletter

What we get up to in Ash Class!

12.6.26

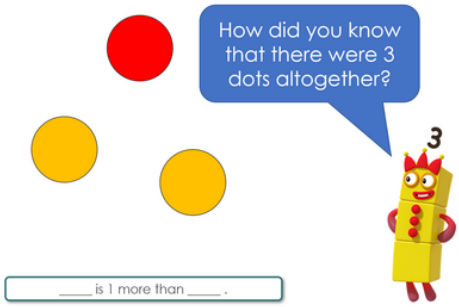

Literacy

This week the children continued our farm theme by exploring this story and writing their own tales featuring the animals they created in Drawing Club.

Click here for "The Pig in the Pond"

Maths

This week we are focusing on how children compare numbers and objects. The activities help us see what they understand. We are looking for skills like seeing big and small differences, matching objects one by one, spotting equal groups, comparing different objects, understanding I more and I less within 10, and knowing when a number is much larger than another.

Our Farm Trip is coming....

Please make sure you bring the following -

- Tracksuit bottoms or trousers - please can you make sure that these are light (skirts are not suitable, and jeans are very uncomfortable if they get wet)
- Sweatshirt or Jumper
- Warm Jacket/Fleece (if cold)
- Thick warm socks
- Wellies
- Warm hat and gloves (if cold)
- Waterproof coat with hood

It is strongly recommended by the farm that the children wear wellington boots and bring some shoes to change into at the end of the trip. We will be going on the trip, regardless of the weather on the day:

Sunny: Please apply sunscreen on your child before they come to school and provide a named sunhat.
Rainy/Cloudy: Please provide a waterproof raincoat.

Home Learning

Create your own version of The Pig in the Pond at home. Act it out with toys or drawings and tell the story in your own words.

Try a simple matching game at home. Ask your child to match objects one by one, then talk about which group is bigger or smaller and how they know.

Notices

15th June - INSET Day
19th June - Herriard Farm Trip
30th June - Ash Class Assembly

Library Day - Tuesday please bring the books back in so the children can swap them for another book.

Reading Books - Friday please bring the books back in so we can give the children their next book.
