Weekly Newsletter

What we get up to in Ash Class!

11.5.26

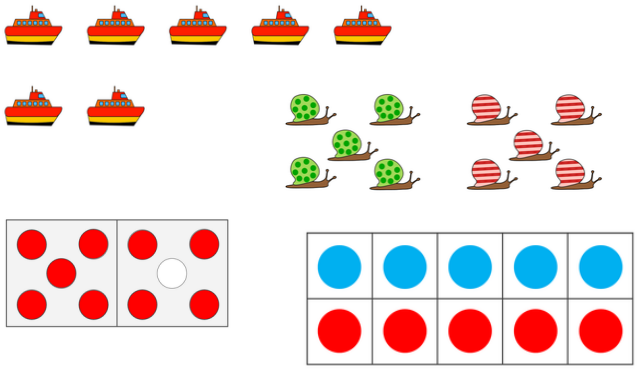

Literacy

This week the children grew their confidence by writing sentences using simple starters like "I can see...", "It is...", and "I am...". They enjoyed creating lots of sentences and practiced keeping a sentence in their heads before writing it down.

Maths

This week, the children reviewed numbers 6 to 9 using the idea of '5 and a bit' and learned different ways to make 10. We repeated the activities to strengthen their fluency.

PE

This week we carried on learning about balancing, this time using different equipment. The children explored balance beams, benches and tables to jump from. They were very sensible and had a great time.

Home Learning

Ways to make 10
At home, practise making 10 together using everyday objects like buttons or blocks.

Choose a favourite toy and help your child write a few sentences about it. They can begin each one with "It is...", "I can see...", or "I am...".

Notices

PE lessons are on a Wednesday afternoon, please make sure that children come to school wearing full PE kit with earrings removed.

Library Day - Tuesday please bring the books back in so the children can swap them for another book.

Reading Books - Friday please bring the books back in so we can give the children their next book.
