What we get up to in Ash Class!
17.4.26

Literacy

After planting our sunflower seeds just before the Easter break we are now seeing little shoots growing through the soil which is very exciting.

We explored the moment in Jack and the Beanstalk when the beans grow overnight without sunlight or water. The children decided it was all thanks to magic.

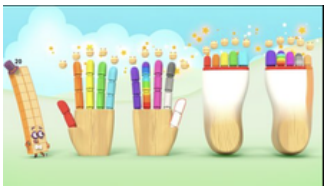

We have also been writing instructions about how to plant seeds and make them grow!

Maths

The children spent the week practising counting to find totals. They explored how the last number they said showed the full amount. They took part in counting activities to grow their confidence and spot missing numbers. We also talked about the difference between 'teen' and 'ty' numbers.

Home Learning

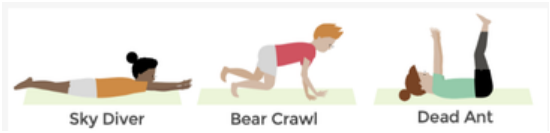

Balancing
Create an obstacle course where the children are trying to balance, you can jump over things, move around things or hop on one leg.

Counting to 20
Place skittles or similar games in the garden, so the children can count while they play. For example, how many skittles can they knock down; how many times can they catch a beanbag; how many steps can they take around an obstacle course without touching the ground?

Nature Spotting
Go for a walk to the park or have an explore around the garden to see what signs of nature you can spot, can you spot any seedlings?

Write a shopping list
Help your adult at home by writing a shopping list with them, then tick of the items when you collect them at the supermarket.

PE

This week in PE, the children have been carrying beanbags in different ways, stretching to collect equipment, travelling over and under the apparatus, and creating bridge and balance shapes. They've also been working on using both sides of their bodies with confident reaches and stretches.

Notices

PE lessons are on a Wednesday afternoon, please make sure that children come to school wearing full PE kit with earrings removed.

Library Day - Tuesday please bring the books back in so the children can swap them for another book.

Reading Books - Friday please bring the books back in so we can give the children their next book.
