What we get up to in Ash Class!
27.3.26

Gardening Day

We have had an incredibly busy week starting off with gardening, on Monday we planted sunflower seeds and made signs to make sure nobody walks on our flowerbeds.

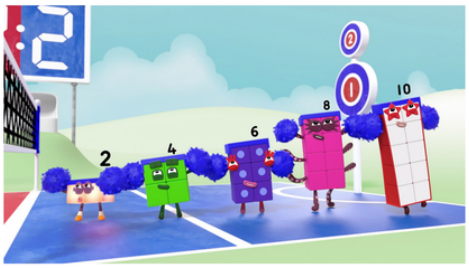

We talked about this importance of watering our plants to make sure they grow.

Maths

The children have been learning about odd and even numbers this week!

Church of the Good Shepherd

On Tuesday, we visited The Church of the Good Shepherd and took part in lots of tasks relating to New Life.

The children really enjoyed decorating eggs, palm leaves and eating chocolate eggs. Their legs were very tired after the long walk!

Bikeability

The children have also been working very hard on learning to ride bikes. Nearly all the children achieved riding on pedal bikes by the end of the week. I'm really impressed with their resilience.

Notices

In the Summer term we are starting PE lessons on a Wednesday afternoon, please make sure that children come to school wearing full PE kit with earrings removed.

Wishing all of our families a lovely restful break and a nice Easter to those that are celebrating.
We look forward to welcoming you back on Monday the 13th April

Library Day - Tuesday please bring the books back in so the children can swap them for another book.

Reading Books - Friday please bring the books back in so we can give the children their next book.
