Our thoughts….

- Megan – I learnt how to do a steady serve and the positioning of the bat
- Sara – I think I showed resilience as I lost every round. I also showed the teamwork value because I played with different people sensibly
- Mehmet – I showed resilience because I didn't give up after loosing. I also learnt how to serve the ball.
- Adarsh – I learnt to not volley the ball. I also got better at my power shot.

Spirit of the Games

Team Work

Awarded For:

- ✓ Working with my team, not being selfish.
- ✓ Letting everyone have a go, sharing the equipment and giving everyone a chance.
- ✓ Showing team spirit – encouraging my team mates and saying well done.

Certificate to children

Player of the Match

She showed good sportsmanship when playing with others – congratulating them when they won.

Megan
