# Our thoughts….

- Marcia – I enjoyed tackling. I improved my running to get the ball quicker than the other team.
- Sanskar – I improved on my defence and got better with my passing.
- Iva – I enjoyed passing to my teammates. I improved going forwards with the ball.
- Sima – I improved my running. I was very proud when I ran with the ball and I nearly scored!
- Adarsh – I was proud with my defence and passing skills.
- Mehmet – I improved my passing over longer distances. I was proud when I scored some goals.

# Most improved team

Katherine (the organiser) chose our school amongst 12 other teams, as the MOST improved team throughout the games in the event.
