Tri Golf

Our thoughts…. ‘Tri Golf’

Layla – I’ve done really well at listening to the teacher and remembering what I have to do.

Orion – I hit a huge shot really high and really far.

Sumangk – I really enjoyed the accuracy game – my chipping got much better.

Astley – I was amazing at chipping!

Theia – I enjoyed putting the most.

Shreya – I think I did the best at aiming and accuracy.

Ayato – I managed to get the ball over the bench and I also hit the targets.

Alice – I've really improved at getting set up. I’m good at controlling the pace.

Our thoughts…. ‘Fun Run’

Marcia – I didn’t think I could do it but I did it! I knew I was going to get to the end but not first and that was ok!

Megan – I really wanted to be first but I still felt proud even though I wasn’t.

Sanskar – I liked that we all ran together and I kept going and pushing myself – I didn’t give up.

Freya – I liked that at first it was really hard but I kept going.

Jasmine – I never knew that there was going to be loads of schools so I was nervous but I had people by my side and I felt ok.

Aevan – I didn’t give up and enjoyed it.

Nathan – At one point, it felt like it was the end but I still had a long way to go. It was ok that I didn’t come first.

Kayden – I wanted to come first but I didn’t and that’s ok.

Zak – I didn’t think I’d keep going and I thought I’d quit but I kept going.

Etienne – It feels like miles and it feels like your lungs are going to explode but they didn’t.
