Samuel Cody

Tri Golf

10.5.22

Mrs Greaves Mrs Bouzidi

Our thoughts….

Daisy – I have enjoyed learning how to control the ball with the club. I also enjoyed taking part in the sport in the sunshine.

Jaime – I improved my confidence and was good at getting it in the target.

Saima – Improved on how to hold putter and stand correctly. Also learnt not to give up, I thought I would be rubbish but instead I made it!

Usman – I'm getting very good at golf but I'm still not the best and I want to become the best. It was so fun!

Tyler – I think I've gotten much better at hitting the ball as first I kept missing it. Then Mrs Greaves showed me to look where I wanted to hit and then I improved.

Aiden – I think I got better at hitting the ball on target.

Sima – I have improved my golf skills and how to stand correctly. My favourite part was the target practice.

Certificate given to children

Player of the game…

-For having a positive attitude

-Making great progress within the 1 hour
