What we get up to in Ash Class!

6.3.26

Literacy

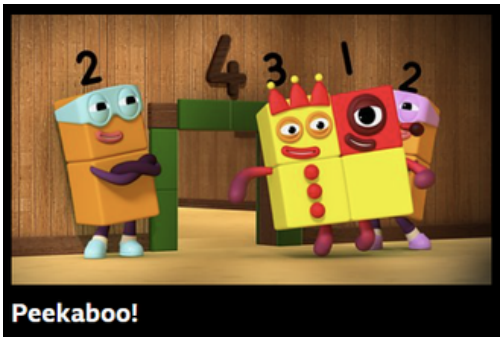

This week, to continue our learning about fairy tales we read a different book, Goldilocks and the Three Crocodiles! We made links between the original tale and this one.

We have also been working hard with our writing, we have been sequencing the story and then writing captions or sentences about the story. The children have been showing lots of ambition and I am very proud of them!

Maths

Children naturally start comparing things from a young age. This week we're building on that by helping them think about where numbers up to 8 come in order, using language like 'more than', 'less than' and 'equal to'. We'll also give them chances to spot these ideas in everyday activities so they can see how numbers fit into real life.

World Book Day

We had such a great day on Thursday, the children enjoyed books in all sorts of different places and took part in different activities ending in making potato characters with their families. Thank you to all that could make it!

Notices

Parents Evening - Tuesday 10th and Wednesday 11th March
(Please book your appointment on Arbor)

Trip to the Church of the Good Shepherd - Tuesday the 24th March

Library Day - Tuesday please bring the books back in so the children can swap them for another book.
