Year 3 – Larch

Learning focus	Lesson 1	Lesson 2		Lesson 3	
Autumn 1					
Self-Image and Identity	I can explain what it meant by the term 'identity'	I can explain how I can represent myself in different ways online		I can explain ways in which and why I might change my identity depending on what I am doing online (e.g. gaming; using an avatar; social media)	
Autumn 2					
Online relationships	I can describe ways people who have similar likes and interests can get together online. I can explain what it means to 'know someone' online and why this might be different from knowing someone offline.	I can explain what is meant by 'trusting someone online', why this is different from 'liking someone online', and why it is important to be careful about who to trust online including what information and content they are trusted with. I can explain some risks of communicating online with others I don't know well	I can explain why someone may change their mind about trusting anyone with something if they feel nervous, uncomfortable or worried.	I can explain how someone's feelings can be hurt by what is said or written online.	I can explain the importance of giving and gaining permission before sharing things online; how the principles of sharing online is the same as sharing offline e.g. sharing images and videos.
Spring 1					
Online reputation	I can explain how to search for information about others online	I can give examples of what anyone may or may not be willing to share about themselves online. I can explain the need to be careful before sharing anything personal.		I know who I should ask if I am not sure if I should put something online.	
Spring 2					
Online Bullying	I can describe appropriate ways to behave towards other people online and why this is important.	I can give examples of how bullying behaviour could appear online and how someone can get support.			
Summer 1					
Privacy and security	I can give reasons why I should only share information with people I choose to and can trust. I can explain that if I am not sure or I feel pressured, I should ask a trusted adult.	I understand and can give reasons why passwords are important.		I can describe simple strategies for creating and keeping passwords private.	
Summer 2					
Copyright and ownership	I can explain why copying someone else's work from the internet without permission can cause problems.	I can give examples of what those problems might be.
