Year 1 – Chestnut

Learning focus	Lesson 1	Lesson 2	Lesson 3
Autumn 1			
Self-Image and Identity	What is good about me? How do people/my friends see me?	I can recognise that there may be people online who could make someone feel sad, embarrassed or upset.	What should I do if somebody asks me to do something that makes me feel sad, embarrassed or upset? If something happens that makes me feel sad, worried, uncomfortable or frightened I can give examples of when and how to speak to an adult I can trust.
Autumn 2			
Online relationships	How do we communicate? I can explain why it is important to be considerate and kind to people online. I can give examples of when I should ask permission to do something online and explain why this is important	How can I use technology to communicate with people I know? I can use the internet with adult support to communicate with people I know (e.g. video call apps or services).	
Spring 1			
Online reputation	What information can be shared with others? I can recognise that information can stay online and could be copied.	What happens to the information I share online?	I can describe what information I should not put online without asking a trusted adult first.
Spring 2			
Online Bullying	What is good and bad behaviour? Can I make the right behaviour choice?	I can describe how to behave online in ways that do not upset others and can give examples. Follow lesson plan and activities and/or	
Summer 1			
Privacy and security	I can recognise more detailed examples of information that is personal to me (e.g. where I live, my family's names, where I go to school).	I can explain why I should always ask a trusted adult before I share any information about myself online.	I can explain how passwords can be used to protect information and devices. What are passwords? Why are passwords important?
Summer 2			
Copyright and ownership	I can explain why work I create using technology belongs to me. I can say why it belongs to me (e.g. 'it is my idea' or 'I designed it').	How can I create and name some work? I can save my work so that others know it belongs to me (e.g. filename, name on content).
