What we get up to in Ash Class!
27.2.26

Literacy

This term we are learning all about Fairytales and the book we have been reading this week is Goldilocks and the Three Bears. The children have really enjoyed reading and acting out the story.

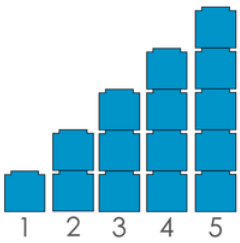

They have also been creating their own stories of Goldilocks in Drawing Club. The children have been very imaginative.

Maths

This week, the children worked on their counting skills. They counted objects to find out "how many" and learned that the last number they said is the total.

They also practised counting out a set number of objects and had fun joining in with counting beyond 20 using puppets. The aim was simply to help them hear the number pattern (21, 22, 23...) and feel more confident counting bigger numbers.

We already have two budding musicians from Ash Class taking part in this and they are both always very excited to go!

These sessions take part during the school day. Scan the QR code to sign up!

Notices
