Weekly Newsletter

What we get up to in Ash Class!
26/9/25

Literacy

This week we have been reading the story 'The Colour Monster' by Anna Llenas and been talking about the different emotions that are represented in the story by colours.

Here is a link to a reading of the story - https://www.youtube.com/watch?v=4QTbwwlgCqE

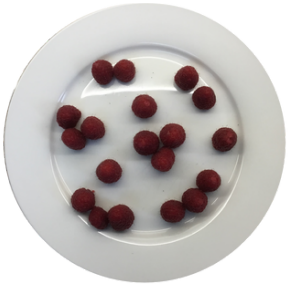

Yellow - happiness
Blue - Sadness
Red - anger
Green - calm
Black - fear
Pink - love

We have also been drawing our own Colour Monsters!

Maths

This week we have been learning how to count accurately, by engaging with activities that draw attention to the purpose of counting – to find out 'how many' objects there are.
The children have also explored how all sorts of things can be counted, including sounds. We sang lots of counting songs which gives them opportunities to hear, join in with and develop their knowledge of the counting sequence.

Phonics

We have been learning these sounds in preparation to start blending these together to read words. I will regularly post video links on Tapestry so you can look at these with your children - please look out for them.

We have also been practicing writing the sounds too using the little sayings underneath the sounds. You can try this at home.

Notices

Next week, we are learning about our families, it would be lovely to see some pictures of the children with their families so we can add these to our 'This is us' wall - please send some pictures in using the 'add observation' tab on Tapestry or send them to adminoffice@cherrywood.hants.sch.uk

Ash Class exhibition - Wednesday 15th October at 9am

All parents to attend - a chance to see your children in their classroom and learn about how phonics is taught at Cherrywood.
