Message from Mrs Lewis

My goodness this week has been chilly! There also appears to be more cold weather ahead. Thank you for making sure your child is well wrapped up. Playtimes and lunchtimes are particularly cold. We play lots of games with help from the year 6 play leaders to ensure that children are running around to keep themselves warm. The bits that seem to get the coldest are fingers. If you have any unwanted gloves or mittens, we would be really grateful if you could send them in so we can have plenty of spare. Thank you.

Don't forget about Mrs Gabbott's coat swap. If your child is in need of a warmer coat, pop in and see her—they are all completely free.

Don't Forget!!

Hampshire County Council is asking for people's views on the future of some local services in a public consultation on options to help the Authority meet a £132 million budget shortfall by April 2025.

The Future Services Consultation runs from 8 January to 31 March 2024, and signals the next stage in the County Council's plans to ensure it can focus support to the most vulnerable people in Hampshire – such as protecting children from harm, social care for older people, and supporting adults and children with disabilities and additional needs - while meeting its legal duty to deliver a balanced budget in 2025/26. The consultation runs from midday on 8 January to 11:59pm on 31 March 2024.

Feedback can be provided by using the consultation Response Form, available online via the consultation webpage: www.hants.gov.uk/future-services-consultation

Your views count
Your views are very important to us, so please take the time to respond to the consultation and encourage others to do the same. The County Council is inviting as many people as possible to provide their views and is seeking to increase awareness of the consultation and encourage participation. Therefore, we would welcome your support in promoting the consultation. Attached is a pdf poster which you may wish to print and display.

The responses submitted through this consultation will be collated and used to shape final savings plans that will be considered by the County Council's individual Cabinet Councillors later this year.

We very much hope that you will take the time to respond to this important public consultation on the future of local services in Hampshire.

Yours sincerely,
Insight & Engagement Unit
Hampshire County Council

Question of the week

Last week our enthusiastic school councillors asked whether parents read the school newsletter. It was really sad to see that quite a large number of parents do not.

I am reaching out to those of your who do, to ask if you have any suggestions for how we could encourage more parents to read it

Hampshire Together

NHS
Hampshire and Isle of Wight

We're investing between £700 million and £900 million in hospital services in Hampshire.

We'd like to know what you think about our plans to build a new hospital, invest in Winchester hospital, and our proposals for where services are provided from in the future.

This is a once-in-a-generation opportunity to improve your hospital facilities and services for decades to come.

Have your say and help shape tomorrow's hospitals

We'd love to hear your views

Hampshire Together has launched their public consultation about how between £700 million and £900 million should be invested in hospital services run by Hampshire Hospitals NHS Foundation Trust, which would transform healthcare for communities across Hampshire.

They are asking people to tell them what they think about the plans they have put forward to build a new specialist acute hospital, invest in refurbishing the Royal Hampshire County Hospital in Winchester, and their proposals for where services are provided from in the future.

They have published their consultation document on their website:
